By clicking the “Add new instructor” or “Add new student” button, it will lead user to instructor edit form and student edit form respectively. Each edit form has different data to fill up in order to register new user. After fill up all the required data and click the “save” button, the data will be saved and appear on the instructor/student list.

The screenshot shows the 'Instructor Edit Form' interface. At the top right, there is a 'Register New' button. The form itself is enclosed in a yellow border and contains the following fields: 'Name', 'Birthday' (with a calendar icon), 'Contact Number', and 'E-mail Address'. At the top left of the form area, there are 'Save' and 'Cancel' buttons.

The screenshot shows the 'Student Edit Form' interface. At the top right, there is a 'Register New' button. The form is enclosed in a yellow border and contains the following fields: 'Login Username', 'Login Password', 'Chinese Name', 'English Name', 'Birthday' (with a calendar icon), 'Guardian Name', 'Student Contact Number', 'Email', and 'Course Intake'. At the top left of the form area, there are 'Save' and 'Cancel' buttons.

By clicking the  button, it will lead user to edit form as well, but will data and a delete button inside.

F. Manage Course

- On sidebar “manage course” page, it will show all offered courses after the “search” button was clicked. User also can search by course code. The “clear” button will clear the page and select box of course and level. And the “Add button is to add a new course. Each row in the table will lead user to that particular course edit form (red rectangle).

Course

Search By Course Code

Course Code	Course Name
C 0003	Mathematics
Success_CHE	Success Chemistry *ND*
Success_MM	Success Mathematics *ND*

The “add” button will show up a page as below. After fill in all data and click “save” button, the data will be saved and appear on the list.

Save
Cancel

Course Code

<input type="text" value="Success_CHE-F6"/>	<input type="text" value="FORM 6 *ND*"/>	

+ Add Level

G. Manage Chapter

- On sidebar “manage chapter” page, by clicking the “search” button, a table with chapter details will appear. User can search certain chapter filter by course and level. Edit data detail can be trigger by clicking each row in table (red rectangle).

The screenshot shows the 'Manage Chapter' interface. At the top, there are search filters for 'Course' (Success Physics *ND*) and 'Level' (FORM 4 *ND* Success ...). Below the filters are 'Search', 'Clear', and 'Add' buttons. A table below displays the following data:

Course	Chapter Code	Chapter Name	Level	
Success Physics *ND*	Success_PHY-F4-CHAP-1	Chapter 1: Introduction to Physics	FORM 4 *ND*	設定題目
Success Physics *ND*	Success_PHY-F4-CHAP-2	Chapter 2: Force and Motion	FORM 4 *ND*	設定題目
Success Physics *ND*	Success_PHY-F4-CHAP-3	Chapter 3: Forces and Pressure	FORM 4 *ND*	設定題目

Same as “manage chapter”, the “add” button will show up a form to let user register a new chapter. The new chapter will add into the table list after user click the save button.

The screenshot shows the 'Add Chapter' form. It includes a 'Save' button and a 'Cancel' button at the top. The form fields are:

- Chapter Name:** Chapter 4: Mathematical Reasoning
- Chapter Code:** Success_MM-F4-CHAP-4
- Level:** FORM 4 *ND* Success ...
- Level Code:** Success_MM-F4

At the bottom, there are 'Save' and 'Cancel' buttons.

Also, user can click on the row in the table to edit the data details.

The form contains the following fields and controls:

- Save** (green button), **Delete** (red button), **Cancel** (grey button)
- Chapter Name**: Text input field containing "Chapter 1: Introduction to Physics"
- Chapter Code**: Text input field containing "Success_PHY-F4-CHAP-1"
- Level**: Dropdown menu showing "FORM 4 *ND* Success ..."
- Level Code**: Text input field containing "Success_PHY-F4"
- Save** (green button), **Delete** (red button), **Cancel** (grey button)

H. Manage Class

- On sidebar “manage class” page, user can view all classes and each class can be edit, delete, add students, and setup timetable. In the table, green colour “student” button is to add and delete student in that class, blue colour “timetable” button is to setup timetable for that class, and “edit” button is to edit the class details (red rectangle). The blue rectangle “add” button is to add a new class.

The interface includes a search form and a table of classes. The search form has a text input for "Class Name", "Search" and "Clear" buttons, and a circled "Add" button. The table lists classes with columns for Class Code, Class Name, Start Date, and End Date. Each row has three buttons: "Student" (green), "TimeTable" (blue), and "Edit" (red, circled).

Class Code	Class Name	Start Date	End Date	Buttons
Success_Physic Class(F4) *ND*	Success Form 4 Physics Class *ND*	2020-05-01	2020-05-31	Student, TimeTable, Edit
Success_Mathematics Class(F4) *ND*	Success Form 4 Mathematics Class *ND*	2020-06-01	2020-06-30	Student, TimeTable, Edit
c000 3	Mathematics Primary 6	2020-05-01	2020-05-31	Student, TimeTable, Edit

If the student is already imported to the class, when he/she is delete by the user, his/her name will show on the right as a button. User can just add the student back to the class by clicking the button.

Name	Chinese Name	Email	
Success Leah ND	璃	leah@mail.com	
Success Morris ND	莫里斯	morris@mail.com	

A confirmation alert box will pop up when the user delete student.

Name	Chinese Name	Email	
Success Izumi ND	泉	izumi@mail.com	
Success Leah ND	璃	leah@mail.com	
Success Morris ND	莫里斯	morris@mail.com	
Success Yamitsuki ND	雅月	yamitsuki@mail.com	

For timetable, user can either setup timetable for a period of time or add a unit of class one by one. Those classes which already pass today's date will not show on the list unless user check the "show previous class" checkbox (blue rectangle). Each unit can be edit and delete.

I. View Attendant and Submission

- The “view attendant and submission” button in home page will lead user to student submission page, which will show students overall attendant and homework submissions.

The screenshot shows the home page of the Success Tuition Center (ND). At the top, there is a blue banner with the text "Welcome Back! May 4th 2020, 9:19:03 pm". Below the banner, there is a navigation bar with "HOME" and a search icon. The main content area is divided into sections: "View All Class", "Today's Classes (2020-05-04)", and "Tomorrow's Classes (2020-05-05)". A yellow button labeled "View Student Submission and Attendance" is highlighted with a red rectangle. To the right of the button is a calendar for May 2020.

User can also search result by date range and class name filter (red rectangle).

The screenshot shows the "Student Submission" page. At the top, there is a "Back" link. Below it, there is a search filter section with a red border. The filter includes a "Select Date Range" dropdown set to "2020-04-04 - 2020-05-04" and a "Class" dropdown set to "Success Form 4 Physics Class *ND*". Below the filter is a table showing student submission results for three dates: 2020-04-19, 2020-04-12, and 2020-04-05. The table has columns for Student Name, Overall Attendance, Overall Homework, and Attendance/Homework for each date.

Student Name	Overall Attendance	Overall Homework	2020-04-19		2020-04-12		2020-04-05

The “homework” button in the list will only show for the instructor if he/she is the instructor for that class. This “homework” button will lead instructor to set up objective question for that particular class only. Not for overall chapter. There are two tab “set homework (before lesson)” and “set homework (after lesson)” to choose (red rectangle).

By clicking the “add question (multiple choice)”, instructor can add new objective questions. The operating method is same as B (add homework). The “search available question” button will show different with B.

After clicked “search available questions” button, instructor can edit the questions and edit, add and delete the answers. The page select in red rectangle is show follow by the number of questions. For example, 1 is the first question, 2 is the second question and so on.

END OF INSTRUCTOR PAGE

STUDENT USER PAGE

Pages and each functions:

A. Login page

The image shows a login page for the E-CLASS SYSTEM. The page has a light gray background. At the top center, the text "E-CLASS SYSTEM" is displayed in a large, bold, black font. Below this, centered, is a white rectangular box with a thin gray border. Inside this box, the text "Student Sign In" is centered at the top. Below the title, there are two input fields. The first is labeled "User ID" in bold black text, and the second is labeled "Password" in bold black text. Both labels are positioned to the left of their respective input boxes. At the bottom of the white box, there is a blue rectangular button with the text "Sign In" in white.

B. Home page

- student homepage only can view all classes that is involved. The header also have a chat icon to chat room

C. Timetable page

- by clicking “view all class” button, students can view their own timetable. The “current” and “finished” tab show them the classes in following months, and classes that already finish. The “enter class” button will only be able to click when the time is 5 minutes before the class start.

« < 1 > »

For the quizzes that already done, the result will show on the bottom of the question.

Back Before class quiz: **Chapter 1: Introduction to Physics**

Question: 1/1

1. Which of the following quantities can be derived?

- Temperature
- Current
- Energy

✓ Correct!

Question: 2/2

2. Which quantity is a vector quantity?

- Speed
- Pressure
- Displacement
- Work

✘Wrong!
Correct Answer:
Displacement

And if the student is doing the quiz but an unpredictable situation happen causes he/she need to reopen the quiz again, system will store the answers that he/she already answered before, to prevent student need to redo the whole quiz again.

If the question is a file, then the student can download the question file and also upload a answer file and submit the file.

Question: 1/1

1.

Please download the following question file.
Remark from instructor: Please download the question file and submit the answer in PDF file before class.

Please upload your answer file here.

select file...
